Engaging millions of followers through his infectious excitement, exclusive access and unparalleled knowledge of the supercar industry, Tim has created one of the biggest automotive channels in the world, sharing his adventures on a daily basis and filming the most amazing luxury cars in existence. In Living The Supercar Dream, he takes readers on a road trip across the globe, experiencing the most incredible locations and the cars that have defined their landscapes. From driving the high-speed Bugatti Veyron 16.4 Grand Sport Vitesse across the German countryside to twisting down the mountain roads of the Alps in his Porsche Cayman GT4, driving Italian designer cars through the streets of Mediterranean cities to testing the limits of his McLaren 675LT on track in Portugal, Tim takes readers through the unique features of each car against the spectacular backdrops they were made for. Capturing Tim's honest and personal touch, this is the ultimate guide to the world's greatest high performance and luxury cars. Singapore's best homegrown car magazine, with an editorial dream team driving it. We fuel the need for speed! Read the full story of Great Britain's best-loved sports car manufacturer with Aston Martin DB, an exquisitely produced, photo-loaded, history by Aston Martin expert, Andrew Noakes. The name David Brown is synonymous with the glory days of Aston Martin, when a tiny British sports car company was rescued from near-extinction and turned into a marque that could compete with Ferrari--and win. Stylish design, lavish illustration from the Aston Martin Heritage Trust and meticulously researched text come together in this large-format, 224-page book to create a superb celebration of the 70th anniversary of DB Aston Martins in 2017. There's a wealth of detail on the Aston Martin DB road and race cars, both from the David

Brown era of 1947-1972 and the modern DB era from 1993 onwards, together high quality images and specification tables for all the key models. Aston Martin DB 70 Years is a fitting celebration of one of the world's most enduring sports cars. The fast, beautiful sports cars that Aston Martin built under Brown's ownership won the Le Mans 24-hour race and the World Sports Car Championship, and provided James Bond with his most famous transport: the ejector-seat equipped DB5 that won acclaim in Goldfinger. Though the DB era ended when Brown sold the company in 1972, its influence continued to be felt. James Bond's most recent car, the specially-made DB10, and Aston Martin has just launched its most complete car ever, the DB11. 'DB' means as much to Aston Martin now as ever. Fabulous Fantasy Cars Cars The Enthusiasts' Guide to Buying a Classic British Sports Car Fast, Faster, Fastest - Revised and Updated Motor Cycling and Motoring The new Vantage Aston Martin 2018 sports car was released a few weeks ago with its new sport design and beautifully sculpted exterior. The car features a sharp, low grille lined with chrome as well as a pair of headlights that are positioned far apart on the front of the vehicle. The new design helps with aerodynamics as a front splitter sends air beneath the car and directs it to the area where it is needed the most; this also allows clean air to get to the diffuser at the back of the car. Besides design, the new Vantage Aston Martin 2018 sports car has also been manufactured to produce more speed on the road, with a twin-turbocharged 4.0 litre V8 engine. The 2018 Vantage has been termed the bread and butter of the company and is the bestselling car for Aston Martin. Start your engines--here are the world's fastest, most powerful, most advanced vehicles. The Speed! series is filled with the most up-to-date information on the world's most amazing machines. Find out all about the world's fastest jet plane, the world's largest steam train, the world's fastest electric car, the world's fastest sailing vessel, the world's fastest motorcycle, and the most destructive military vehicle ever built. With large-format photographs and fascinating text, the Speed! series offers every reader a full blast of excitement! DieCast X covers the entire spectrum of automotive diecast from customizing to collecting. it takes an insider's look at the history behind popular diecast cars and trucks, as well as how each model has helped shape the automotive industry and motor sports
