Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is

Seduced into Darkness: Transcending My Psychiatrist ' s Sexual Abuse is a vivid and captivating story of hope for survivors of abuse as well as a case study in a skilled manipulator ' s tragic exploitation of his professional power. This poignant memoir chronicles the traumatic psychological abduction and sexual exploitation of depressed college student Carrie Tansey at the hands of her psychiatrist, Dr. Anthony Romano—thirty-one years her senior. For three years, their secret “ affair ” was carefully calculated and controlled by Romano, as Carrie ' s mental and emotional health continued to deteriorate, bringing her closer and closer to the edge. Their dual-relationship finally came to light when Carrie ' s suicide attempts landed her in a world-renowned psychiatric hospital. Gradually, she began to reclaim her power, reported Romano to the state licensing board, successfully sued him for malpractice, and testified before the state legislature to bring awareness to such abuses. As Carrie tells her tale, it is a journey paralleling that of the mythical archetype Persephone, the naive innocent who was abducted into darkness, reemerged and regenerated herself, then fearlessly returned to the prison she had fled, this time to help free others. Today, Carrie Ishee is a widely respected art therapist and life coach as well as a teacher specializing in the issues of ethics, self-care, and boundaries for mental health professionals.

I am Meredith Gentry, P.I. and Princess Merry, heir to the throne of Fairie. Now there are those among me who whisper I am more. They fear me even as they protect me. And who can blame them? I ' ve awakened the dazzling magic that ' s slumbered in them for thousands of years. But the thing is, I can ' t figure out why. My aunt, the Queen of Air and Darkness, is no longer distracted by her usual sadistic hobbies. Her obsession has turned unwaveringly to me. The mission to get me pregnant and beat my cousin Prince Cel to the crown is taking longer than expected. Even though I spend each night with the Queen ' s Ravens, my immortal guards, no child has come of our decadent pleasures. But something else is happening. My magic courses through me uncontrollably. And as I lock my half-mortal body with their full-Sidhe blooded ones, the power surges like never before. It all began with the chalice. I dreamed

of it, and it appeared, cool and hard, beside me when I awoke. My guards know the ancient relic well—its disappearance ages ago stripped them of their vital powers. But it is here with us now. My touch resonates with its force, and they're consumed with it, their Sidhe essences lit up by it. But even as they cherish me for this unexpected gift, there are those who loathe me for it. Me, a mongrel, only half fey and part mortal. The Unseelie court has suffered for so long, and there are some who would not have it weakened further by an impure queen. My enemies grow in number every day. But they do not know what I am capable of. Nor, for that matter, do I. . . . In *Seduced by Moonlight*, Laurell K. Hamilton brings the dark, erotic reign of the immortal fey to a startling new depth. Full of sensuality and the consuming anticipation of latent powers unleashed, this world of gods, shapeshifters, and immortal souls is unveiled in all of its supreme magnificence and its treacherous deceptions.

The chronological reading order, however, is as follows: **DARKNESS AWAKENED, DARKNESS SEDUCED, DARKNESS SURRENDERED, FOREVER IN DARKNESS, DARKNESS REBORN, DARKNESS ARISEN, DARKNESS UNLEASHED, INFERNO OF DARKNESS, DARKNESS POSSESSED** (Available July 2014).

Twenty-two years ago, vampire Darius Cole abducted and seduced witch Gina, forging an emotional bond between them and leaving Gina with a daughter. Then Gina's

sister witches tore them apart and the bond faded--until she feels the Darkness within Darius threatening to take control and calls him to her instead. Darius had wanted Gina from the moment he laid eyes on her--and he can still sense her arousal around him. Though he's bitter about her betrayal, he cannot deny their rekindled passion. But with the Darkness and Gina's fellow witches threatening them once again, will this be the last time they make love for eternity? Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. Seductive Devyn has the answers she craves, and he can take her to the dark underground of her people. But Bride's blood might hold the key to saving Devyn's friends, so he's loath to let her go.
