"Discovering Food and Nutrition" is an
introductory foods program for middle school
with short chapters, engaging photos and charts,

and a comfortable reading level. It offers middle school students and high school students with special needs the motivation to learn how to become active, engaged students of food preparation, nutrition and consumer skills.

Discovering Food and Nutrition, Student Workbook - Knetbooks

If a shortage of nutrients happens over time your body can't work properly. If you get too much of a nutrient the body gets rid of some extra vitamins and minerals as waste, it turns extra amounts of carbohydrates, proteins, or fats into body fat.
