Loud Hands: Autistic People, Speaking by Julia Bascom ...
Loud Hands: Autistic People, Speaking features essays, long and short, by Autistic authors writing on autism acceptance, neurodiversity, Autistic pride and culture, disability rights and resistance, and resilience (known collectively by the community as having loud hands).

The Loud Hands Project | Autistic Self Advocacy Network
The majority of people with autism do use spoken language. Few, however, use it in exactly the same way as people without autism. In some cases, the differences are quite marked. In others, while the differences are subtle, they are obvious to native speakers of the same language. Some differences relate to the correct use of spoken language and grammar.
