

## No Rest For The Wiccan A Bewitching Mystery 4 Madelyn Alt

Eventually, you will no question discover a extra experience and triumph by spending more cash. nevertheless when? realize you bow to that you require to acquire those all needs as soon as having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to comprehend even more re the globe, experience, some places, subsequent to history, amusement, and a lot more?

It is your totally own era to play-act reviewing habit. among guides you could enjoy now is No Rest For The Wiccan A Bewitching Mystery 4 Madelyn Alt below.

Grimassi has written extensively about Wicca, and Llewellyn specializes in books sympathetic to occult ways, so the combination is pretty predictable. He describes not only the usual magic practices, but also the religious and spiritual aspects of what believers say is inherited ancient European wisdom and scoffers say is made-up, new-age nonsense. Annotation copyrighted by Book News, Inc., Portland, OR

Designed for the advanced student of Wicca. Covers topics generally overlooked in "101" books, including the history of The Wiccan Rede and The Science of Belief. In the beginning everything is fresh and new. Learning how to cast a circle, work magick, compile a Book of Shadows, and honor the God and Goddess on esbats and sabbats can be exhilarating. But once you've mastered the basics of Witchcraft comes the real challenge of living your faith every moment of every day. Living as a Witch is knowing that you are the magick. Advanced Witchcraft doesn't contain any "Wicca 101" information—it assumes that you're already familiar with the nuts and bolts of the Craft. Instead, this book challenges you to think critically about your beliefs and practices, what they mean to you, how they've changed, and where you're going. Along the way you'll also learn many techniques for intermediate and advanced Witches, including: —Meeting your shadow —Advanced warding and psychic self-defense —Power animals, familiars, and shapeshifters —Working the labyrinth and the maze —Advanced tree spirituality —Advanced augury and divination —Magick and ritual using the fine arts of storytelling, dance, music, art,

and drama —The art of Wishcraft —Spirits and lost souls —Banishing and closing portals —The healing arts

Henrik Bogdan and Martin P. Starr offer the first comprehensive examination of one of the twentieth century's most distinctive occult iconoclasts, Aleister Crowley (1875–1947), one of the most influential thinkers in contemporary western esotericism.

Starting a new job at Enchantments antique shop, Maggie O'Neill is unexpectedly immersed in mystery when her boss, a self-proclaimed witch, is arrested for murdering her estranged sister, a crime in which it is up to Maggie to prove her innocence, with a little help from beyond. Original.

From the author of Tall, Dark & Dead, the second in the paranormal series featuring "a gem of a heroine" (Mary Janice Davidson). Tall, Dark & Dead introduced Garnet Lacey, a bookstore manager/witch who accidentally unleashed the dark goddess Lilith on Vatican assassins. Now she has other things to worry about—like pesky frat boy zombies, a gorgeous FBI agent hot on her trail, love spells gone wrong, and keeping her vampire boyfriend a safe distance from her vampire ex-boyfriend. There's just no rest for this Wiccan...

Do you want to start practicing magic? Not sure where to begin? Want a collection of spells that can transform and enhance your life? This inspiring collection of spells, rituals, and other workings is devoted to the magical energies of the plant kingdom, and can be used on its own or as a companion to best-selling author Lisa Chamberlain's beginner's guide Wicca Herbal Magic. Each spell is relatively simple and suitable for beginners to magic, yet can inspire more seasoned practitioners as well. A Simple, Straightforward Approach to Herbal Magic

Complex spells with multiple ingredients can be very enjoyable and certainly serve a purpose. However, focusing on one or two ingredients provides an opportunity to get better acquainted with herbs you haven't worked with before. In that spirit, single herbs are often the focus of these spells, with minimal additional ingredients, in order to help you deepen your own magical relationships with these powerful herbs. Most of these herbs can actually be found in the spice section of any grocery store, while the rest can easily be found in natural food stores and cooperatives, as well as at metaphysical stores and online. Work Your Magic for Material, Emotional, and Spiritual Well-Being Here are just a few life-enhancing changes you can create in your life using the 52 spells, rituals, magical crafts and recipes in this herb-centered Book of Shadows: Create and maintain a positive, magical atmosphere in your home and sacred space Heal from grief, homesickness, old relationships and unwanted habits Reduce stress and anxiety, resolve sleep issues, and have amazing dreams Attract money, love, and good luck into your experience Improve divination and psychic awareness Manifest courage and self-confidence for any situation In short, you will many useful gems in Book of Herbal Spells, and will hopefully be inspired to develop your own magical workings, using the gifts granted to us all through the abundant generosity of our beloved Earth. If you're ready to begin working with magical herbs, scroll to the top of the page and select the buy now button. Readers will also be treated to an exclusive free eBook!

Go Deeper, Reach Further, Fly Higher A Guide for the Modern Witch The Encyclopedia of Witchcraft, Wicca, and Neo-paganism The Wiccan Handbook Bell, Book & Candlemas A Guide for the Solitary Practitioner

“ If there is one quote from this book which deserves to be emblazoned on the opening pages of your Book of Shadows; above the door of your house (or temple); and in every mind it is this: ‘ Wicca is not a place to go, it is a journey to take. ’ ” —Spiral Nature For thousands of years, we have been told that God was a man. Then someone reminded us of when God was a woman. Now we have a reference for the sensible folk who have always felt that it takes two. If you have ever thought there was

more to religion than ancient rituals performed for reasons unknown, this book will show you exactly what you have been looking for. If you have already come to the realization that Wicca is the religion for you, this book will help fill those many blanks that have been left by other books. Author A.J. Drew makes no attempt to dictate religious dogma or routine. He is quick to point out that the title does not start with the word the. He illustrates the many issues a person's religion should address and shows how he has been able to find answers to those issues through the practice of a modern religion that was based on some of the oldest principles of the ancient world. A Wiccan Bible takes you through the journey of life in three stages: • Maiden and Master: Creation, Wiccaning, and Self-dedication. • Mother and Father: Initiation, Handfasting/Handparting, and the Wheel of the Year. • Crone and Sage: Community, the world, and death. Mythology and science converge as the author details a life's journey into a religion with both old world ritual and new world science, fusing both into a creation myth which satisfies not only mind, but soul as well. A Wiccan Bible not only shows a religious path filled with joy, but one that offers the ability to accept and manage sorrow. It is filled with ritual and with the reasons why ritual is fulfilling, rewarding, and a necessary part of everyday life. As A.J. addresses each issue, he demonstrates not only how he found the solutions in Wicca, and the many ways in which science and magick have helped him to do so. A Wiccan Bible also contains select recipes that the author has collected, including mixtures for incense, oils, and baths. A Wiccan attorney investigates menacing threats and murder at a small-town shop in this cozy mystery by the author of *Midsummer Night's Mischievous*. A new year has barely begun and Edindale, Illinois, family law attorney Keli Milanni already has her hands full at work. But her private practice—as a Wiccan—may cause her worlds to collide . . . The

Wiccan holiday of Candlemas is right around the corner, but when vandals target New Age gift shop Moonstone Treasures, the mood is far from festive. Frightening threats and accusations of witchcraft aimed at the owner have some Wiccan patrons calling it a hate crime. And when things escalate to murder, the community turns to Keli . . . As a friend and customer, Keli wants to help. But there's one problem: she's fiercely private about her religion. How can she stop the harassment, not to mention catch a killer, while keeping her faith hidden from her colleagues, clients, and her promising—and long awaited—new boyfriend? At a time meant to banish darkness, will Keli have to choose between risking the spotlight and keeping her beliefs locked in the proverbial broom closet? Or will she call on her deepest convictions to conjure the perfect path . . . ? Praise for the Wiccan Wheel Mysteries “ Hesse incorporates Keli's Wiccan practices into her story line, with prayers to the Goddess and incantations that assist her sleuth in gaining insights to solve the mystery. A perfect read for New Age devotees and those who prefer the pagan version of Yuletide. ” —Library Journal on Yuletide Homicide “ Hesse easily balances murder and romance in this holiday tale that's so cozy. ” —Kirkus Reviews on Yuletide Homicide While watching TV reruns, minding the magic store, figuring out her love life, and caring for her bedridden sister, Maggie O'Neill must deal with the undead when her friend's husband's seemingly accidental death turns out to be murder. Original. Graduate student Lily Andrews resigned herself to a life of perpetual virginity. With her recent twisted appetites and weird fugues hospitalizing every would-be boyfriend, it's no wonder she uses her coursework as an excuse not to date. Then, she meets a witch. Joshua enters Lily's life to complete penance for a deadly spell cast centuries ago. Joshua must counter Lily's demon-wrought fugues with his own Wiccan magick, or lose her forever. As the pivotal Wiccan

holiday, Samhain, approaches, time is running out. Together, they must battle an ancient dark force, fighting for their lives and their new-found love...ANY WITCH WAY they can. Morgan Le Fay's Book of Spells and Wiccan Rites The Deep Heart of Witchcraft Eclectic Wicca The Trouble with Magic A Wiccan Bible Witchcraft: Wicca for Beginner's, Book of Shadows, Candle Magic, Herbal Magic, Wicca Altar Llewellyn's Complete Book of Correspondences is a clear, straightforward companion for Pagan and Wiccan ritual and spellwork. Entries are cross-referenced, indexed, and organized by categories and subcategories, making it easy to find what you need. This comprehensive reference provides a fascinating look at why correspondences are more than just lists of objects to focus intent on—they are fundamental to how we think. When we use correspondences, we weave together our ideas, beliefs, and energy, creating deeper meaning in our rituals and spellwork as we unite our individuality with a larger purpose. The use of correspondences embodies both physical and symbolic energy and provides the means for uniting the seen and unseen worlds. Packed with content yet easy to use, Llewellyn's Complete Book of Correspondences covers traditional correspondences and also provides instruction for forging new ones that hold special meaning for you. Plants Minerals Animals Deities Zodiac Moon Phases Days and Times Ogham Runes Tarot Elements Numbers Chakras Colors And More Examines Wiccan magic, rituals, traditions, and code of conduct Get the scoop on this ancient spiritual path Wondering what it takes to be a Wiccan? This plain-English guide introduces you to the vibrant world of Wicca and the practices of Witchcraft, describing its ancient origins, dispelling stereotypes, and explaining Wiccan beliefs, ethics, rituals, and holidays. You'll see what it means to live as a contemporary Wiccan -- and how to worship alone or with a group. Discover how to \* Worship alone or join a coven \* Perform charms, blessings, and spells \* Obtain necessary tools and supplies \* Spot spiritual scams and inappropriate behavior \* Explore a spiritual path guided by nature A witch's grimoire, or book of spells, is their magical companion and most powerful tool and The Book of Spells Journal is your own personal guide to building your own. The Book of Spells Journal includes: Spell & Ritual Worksheet pages (purpose, materials, invocations, instructions, results, etc) to keep track of your spells Size 8x10 110 pages Quality matte cover Made in USA I am a Traditionalist. A Traditional Wiccan High Priestess Witch. I am not a person with an Ivy League education. Nor am I a scholar with 6 or 7 degrees! I do not speak any language other than English, a few choice Spanish words and some pig latin. I don't use big fancy words where you have to have a dictionary to read the book and I don't use long, complicated sentences that you have to read 16 times to understand what I'm saying. I'm not a professional writer and even if I were, I felt

this book needed to be written where anyone could read it without any difficulty no matter the level of reading one does or how long they've been on the path of Wicca. Most people will agree there have been many books written on the subject of Wicca. So many of them it can become confusing and frustrating for the Novice because most books are simply bits and pieces of Wicca thrown together coupled with a person's personal opinion and experience. There are many important details left out. Details that are inclusive in most Traditional Wiccan training. Keep in mind there's only one way to receive full training and it does not come from a book or from the internet. This book is different than your average how to book on Wicca. There are no spells. It is not about magic. There are no instructions on how to cast a Circle or how to call the quarters. There's plenty of books out there on all of those subjects. If that is the kind of book you were expecting, I am happy to inform you that it is not. This is a book that explains a (seemingly) fast disappearing perspective regarding important protocol and important elements that are missing in today's practices within the religion of Wicca in our American Wiccan communities today. A perspective (believed by many) that should return. The book also points out some of our problems and issues in the Wiccan community that are going on here today in the United States. Problems and issues that have arose since the occurrence of Wicca's massive growth spurt and the booming book and internet industry that surrounds it! This book is written based on my training, experiences, knowledge and information that I have personally gained over the years from walking and living the life of a Wiccan Witch. There is information contained within this book that you normally would not hear or know about Wicca unless you had (or have) a teacher. Teacher meaning a Traditional Wiccan High Priestess or Priest Witch to help you along, to guide, direct and train you. The sole purpose of this book is to give you some of that information that you would not receive without training, without an experienced High Priestess or Priest to give it to you. Much of it is information that you will not find in books and is vital to Traditional Wiccan practice. Some which is basic Wiccan protocol that has been passed down orally and/or verbally through the generations, some since the beginning of Wicca and its oral Traditions in the United States. Oral and verbal protocol that was (and still is) being given to Novices in their beginner level training in some of the working Traditional Covensteads. My hope is that it will provide the reader/s with a fresh (yet certainly not new) look at Wicca and hopefully help guide them in the direction that's most beneficial for them. If you find it to be controversial for, remember this is a perspective coming from a Traditional Wiccan Witch who has been formally trained in a Tradition of Wicca in a Traditional Wiccan Coven. Either way, I hope anyone who reads it will get something from it even if its just a small something and that it will help in some way as you step onto the path of Wicca or onto the next crossroads of your journey in Wicca. Before you begin to read this book, please understand that I am not staking any claims that I am the Wiccan Guru or the Grand Poohbah of Wicca! I have never claimed such nor will I ever claim such ! So please do not take my words out of context or twist them in any way! I ask that you understand and

know that my words are in no way conveying that a person is not legitimately Wiccan or not legitimately practicing Wicca if they don't do things the way I explain in this book or if they do not practice the way I do! It is not a book that says do it this way and no other or that my way is the only way or the best way. Not at all. The book was written for the reader/s to understand Wicca from a Traditional perspective and to come to their own conclusions about what to do (if anything) after reading it. Again, this is a book written from my own training and experiences and from the knowledge I have gathered over the years of walking this path. If you have questions about something that is stated in the book, please refer to the Facebook page that is set up for discussion of the book. I am sure some folks will go on with their usual way of doing things, regardless of what I have to say. And I wouldn't expect anything more or anything less. I do not wish to complicate things for anyone. I am in hopes it will answer some questions or rid the reader of any preconceived ideas or confusion she/he might have, maybe even eliminate some of the incorrect information you have come across during your seeking and/or walk in the path of Wicca thus far. If nothing else, maybe it will provoke thought on some new (yet not new) ideas. Not following any protocol, not having any criteria, not having or abiding by any rules of any kind is leaving a door wide open for Occult mayhem. In my own personal opinion I feel we're not far from it, if not already in mayhem. I feel it is time we make bigger changes. Changes that will help Wicca grow and prosper in a more positive way. It is a vision of mine to see changes taking place in the Wiccan community, changes that will bring the Traditional practices of Wicca back where they use to be and as a result bring a successful religion to the lands we live and to the path and religion that I care so much about. Wicca is not the be all or end all of Occult paths. Wicca is just one Occult path out of many that a person may learn or take. Learning as much as you can about as many of them as you can is always encouraged. But if you are interested in Wicca (in particular) and you live in the United States, it is wise to heed the advice of the older, trained and more experienced long term members of the Wiccan community who have practiced (paritcularly here) in the United States. Due to the the love and passion I have for Wicca, I have been called to write this book. I would like to thank every person who has been with me through this journey because all of you have contributed in my writing it. Both directly and indirectly. A thank you goes out to those of you who have purchased the book. I hope you enjoy reading it as much as I enjoyed writing it. **\*\*NOTE\*\*** ; If you do not agree with something I have stated in this book and wish to debate it, please be an adult about it and show your level of spiritual maturity by writing your own book in rebuttle to it. If you have something to say in defense or do not agree with something and do not wish to write a book in rebuttle, please refer to the discussion page on Facebook that has been set up so we can talk about it. The one thing that I ask is that you have enough respect for me to not stoop to personal verbal attacks, my training or my own personal experiences and perspectives just because you don't agree with me! I would be most grateful for that! Thanks! Happy Reading! Rain Dove

2021 To save a fae kingdom, a trans witch must face his traumatic past and the royal fiancé he left behind. In Asalin, fae rule and witches like Wyatt Croft...don't. Wyatt's betrothal to fae prince Emyr North was supposed to change that. But when Wyatt lost control of his magic one devastating night, he fled to the human world. Now a coldly distant Emyr has hunted him down. Despite transgender Wyatt's newfound identity and troubling past, Emyr claims they must marry now or risk losing the throne. Jaded, Wyatt strikes a deal with the enemy, hoping to escape Asalin forever. But as he gets to know Emyr again, Wyatt realizes the boy he once loved may still exist. And as the witches face worsening conditions, he must decide what's more important—his people or his freedom. Don't miss the next book in H.E.  
Edgmon's highly anticipated duology, **THE FAE KEEPER**, AVAILABLE MAY 31, 2022  
A scholarly history of the Wiccan religion from Paleolithic times to the present, as well as complete instructions for casting spells inspired by Morgan Le Fay, half-sister of King Arthur and the sorceress-witch who learned her craft from Merlin. The latest in the "quirky, enchanting, mystical, and addictive" (Annette Blair) series by national bestselling author Madelyn Alt. Stony Mill, Indiana's newest witch, Maggie O'Neill, has been attached at the hip to the smoking-hot Marcus Quinn. Things couldn't get any better- until her sister Mel gives birth to not one, but two babies... Maggie's visiting Mel in the hospital when a whispered conversation in a cafeteria sends chills down her spine. She can't make out what they're saying, but Maggie knows malice when she hears it. The next night, death visits the hospital...twice. Nobody bats an eye, but Maggie knows something sinister is haunting the hospital. Now she'll need help if she's going to tie two murders to one killer. Cunningham's classic introduction to Wicca is about how to live life magically, spiritually, and wholly attuned with nature. It is a book of sense and common sense, not only about magick, but about religion and one of the most critical issues of today: how to achieve the much needed and wholesome relationship with our Earth. Cunningham presents Wicca as it is today: a gentle, Earth-oriented religion dedicated to the Goddess and God. Wicca also includes Scott Cunningham's own Book of Shadows and updated appendices of periodicals and occult suppliers. Wicca 333

Recognize and refute the Far East false religions What do these religions teach and why? How can a Christian be an effective witness for Jesus Christ when presented with ideas that are so different from a biblical perspective? How can these religions be

refuted and biblical authority be the standard? This eye-opening second volume deals with many Eastern religions like Hinduism, Taoism, New Age, Sikhism, Confucianism, Shinto, and Buddhism, as well as other pagan-based systems like Witchcraft, Voodoo, and Greek mythology (and many more)! This volume dives into these styles of religions and looks at their origins and their basic tenets as well as why they fall so short. Understanding the basic tenets of these religions helps the Bible believer see the flaws in these philosophies and discern how to be an effective witness for Jesus Christ while standing on the authority of the Bible.

Celebrating the deep and meaningful teachings of the Rede, the most important tenet in Wiccan belief, this pocket-sized volume is a complete learning system that shows practitioners how to extract the deep philosophical wisdom found in the Rede and put it into daily practice.

The author of the popular Green Witchcraft series presents her personal Book of Shadows, designed for you to use just as she uses it—as a working guide to ritual, spells, and divination. This ready-made, authentic grimoire is based on family tradition and actual magical experience, and is easily adaptable to any tradition of Witchcraft. Grimoire for the Green Witch offers a treasury of magical information—rituals for Esbats and Sabbats, correspondences, circle-casting techniques, sigils, symbols, recitations, spells, teas, oils, baths, and divinations. Every aspect of Craft practice is addressed, from the purely magical to the personally spiritual. It is a distillation of Green practice, with room for growth and new inspiration. 2004 COVR Award First Runner Up

Back to work at her antique shop, Enchantments, Maggie's broken leg makes helping customers a lame proposition—but that doesn't mean the rest of her life is slowing down. While her boyfriend, the magically-inclined Marcus, has some unfinished business to attend to and her best friend is getting ready to tie the knot and move away, Maggie decides it's time to find her own change of scenery. And she'll start by finally getting a new apartment. But Maggie's new dream home turns into a nightmare when the apartment manager is found dead before she can even sign the lease. And Maggie finds herself not only searching for a new home—but for a frightfully clever killer...

Couplets of the Law, Teachings, and Enchantments

Twenty-first-century Paranormal Reads

Mathews uses a limited definition of paranormal, and examines works set, for the most part, in a relatively realistic

modern world inhabited by both humans and historical, practical, and cultural aspects. A paranormal beings.

The elements, the guardians, the spirits and gods; these are all things beginner Witches are taught about and trained to work with.

We learn about correspondence and how to associate symbols with their mysteries. But what are the real mysteries behind the symbols? What lives at the very heart and core of these teachings? In the *Deep Heart of Witchcraft*, we seek the teachings and ways that might lead us to look beyond the surface and into the depths of the Craft. In this book, we'll look at the tools and spirits of the sacred elements to connect us back to the power of nature. Through ritual, we turn and face traditions both new and old to enrich our practice and feed the soul. And through the wheel of the year, we connect with the ebb and flow of the cycles of time and space.

Maggie O'Neill was just a small town girl, stuck in a dead end job—until she started working at Enchantments, Stony Mill's finest mystical antique shop... Now she's Indiana's newest witch. Learning to cope with her newfound powers is tough enough, but add to that keeping the stock at Enchantments organized and remembering to tape reruns of her favorite show, *Magnum P.I.*, and Maggie's got a full plate. But when she witnesses an altercation between a local teenage princess and another customer in Enchantments—and then the girl turns up dead later that day—she feels compelled to investigate. The police are at a loss. But Maggie has some tricks up her sleeve, or to be more specific, some spells, charms and mystical intuitions. And with the help of her boss (and favorite witch) Felicity Dow, Maggie is spellbound and determined to get to the bottom of this murder.

Provides an introduction to Wicca, discussing Wiccan philosophy and ethics, different traditions within Wicca, rites and rituals, magick and divination, and legal concerns.

No Rest for the Wiccan

A look at Witches, Witchcraft and the

Wicca tradition from the author of

Buckland's Complete Book of Witchcraft

From Abracadabra to Aleister Crowley to

Gardnerian Witchcraft to Rosemary's Baby

to sorcery and Zoroaster, *The Witch Book*

by the late, great Raymond Buckland is

unmatched in its coverage of witchcraft's

student of the late Wicca pioneer Dr. Gerald Gardner, Raymond Buckland has been widely credited with introducing Wicca to the United States. He was one of the world's foremost experts on Witchcraft, Wicca, and Earth religions. With 560 entries, a resource section, and 114 photos and illustrations, this is an exhaustive exploration of Witchcraft, Wicca, paganism, magic, people, places, events, literature, and more. It shows how, in pre-Christian and early Christian times, Witchcraft (with a capital "W") was a magical and healing practice associated with early spiritual beliefs, including how the word "Witch" comes from the Old Anglo-Saxon *wicce* or *wicca*, meaning a "wise one": the wiseman or -woman of the common people who had knowledge of herbs, healing, augury, and magic. It also tackles how Witchcraft and paganism were erroneously linked with Satanism, black magic, and pop-culture distortions. It defines both the darker Christian concept and the true concept of Wicca, concentrating on the Western European and later New World versions of Witchcraft and magic. *The Witch Book* is a broad and deep look at witches, witchcraft and the Wicca tradition.

The critically-acclaimed thrill ride is back! Evolved Publishing presents a suspenseful, thrilling glance inside one woman's extraordinary connection to the elements around her, in the second of the action-packed, paranormal *Zoe Delante Thrillers* series. "No rest for the Wiccan." One year has passed since *Zoe Delante's* last big case, and everyone's favorite Wiccan has managed to carve a normal-ish life for herself and her boyfriends, Jacob and Daniel. Then she gets the call that someone has discarded dead babies like empty soda cans off I-295 in the Baltimore/D.C. area, leaving strange scales all over the crime scenes. Another serial killer? Zoe dives into the case when her one-year-old niece comes up missing, and she discovers that the guy running the Church of Holy Light knows magick and lies about it. Is he the one behind the mind control? Did he send the guys to drop magick all over her sister's house? And what the hell is up with her magick? The visions are getting stronger, and weirder, and Zoe can't remember the last time she slept. No matter. She has bad guys to catch and innocents to save. She'll sleep when she's dead... or when the killer is. Be sure to start with the first *Zoe Delante* thriller, "Whispers of the Dead." Are you looking for a Wiccan gift for your spiritual friend who practices the modern

Pagan religion? This blank lined journal is the perfect Wicca gift for your Wiccan friend who you think is cool/wicked. No Rest for the Wicca'd Notebook Design and Features: The front and back cover feature the title "No Rest for the Wicca'd" (with a play on the word "wicked") integrated with the Pentacle symbol as well as two melting candles, all on a black background to represent the enlightenment and transformation of the book's owner by releasing negative energy through writing. The first inside page includes a place for the book's recipient to write their name. 6x9 soft cover paperback with glossy finish. 120 total pages.

Taking a break from her job at Enchantments, Stony Mill's finest mystical antique shop, Maggie O'Neill visits a carnival where she senses some bad spirits. And when a construction worker is suspected of killing a young woman, it's up to Maggie and the N.I.G.H.T.S. ghosthunting team to uncover the dark spiritual energy leaking into their town before it spoils everyone's fun.

Due to the sheer number of Wicca 101 books on the market, many newcomers to the Craft find themselves piecing together their Wiccan education by reading a chapter from one book, a few pages from another. Rather than depending on snippets of wisdom to build a new faith, Wicca for Beginners provides a solid foundation to Wicca without limiting the reader to one tradition or path. Embracing both the spiritual and the practical, Wicca for Beginners is a primer on the philosophies, culture, and beliefs behind the religion, without losing the mystery that draws many students to want to learn. Detailing practices such as grounding, raising energy, visualization, and meditation, this book offers exercises for core techniques before launching into more complicated rituals and spellwork. Finalist for the Coalition of Visionary Resources Award for Best Wiccan/Pagan Book "In her first book-length work, Sabin presents a first-rate, fresh, and thorough addition to the burgeoning field of earth-based spiritual practice volumes...written in a light, informative style that magically mines depth, breadth and brevity."—Publishers Weekly (starred review)

Wiccan Beliefs & Practices

This introduction to contemporary witchcraft and neopaganism shows you what witches themselves say they believe, what the Bible says about witchcraft, and philosophical holes in the worldview of witches.

While her boss becomes entranced with a beautiful armoire at the countywide craft bazaar, Maggie can't help noticing the Amish craftsman who made it. Though his clothes may be plain, he himself is more

handsome than a man sporting a jawline-only beard has any right to be. And he seems pretty aware that the ladies love his...furniture. But when the hunky craftsman turns up dead with a strange hex symbol near his corpse, Maggie wonders if the craft involved is the witchy kind. Hidden within all of us is a special set of powers. Learning the tools of wicca and witchcraft unlocks those powers and opens the door on to a new world. This essential handbook is filled with everything you need to know in order to live in harmony with yourself and the natural world. It features detailed information on the most important elements of a modern-day wiccan way of life, including how to celebrate all the sabbats of the year, casting a sacred circle, writing and casting spells, essential everyday tools, and interpreting and understanding the four elements and their correspondences. You will also find advice on using the healing properties of herbs, trees, crystals, colours, numbers and astrological energies to empower and enhance your work. The Wiccan Handbook is an indispensable guide to embracing wicca and witchcraft in our modern world, bringing more meaning and significance to your everyday life. Contents Introduction Part 1: The Story of Witchcraft The Early Times Modern Witchcraft Part 2: Getting Started The Tools of the Trade Part 3: Practicing Witchcraft Magical Charms and Symbols The Witch's Calendar Casting a Sacred Circle The Witch's Way to Draw in Love Creating Abundance Creating Miracles Home for a Spell Llewellyn's Complete Book of Correspondences Exploring the World of Wicca Whispers of the Serpent
