Dry Heat is the debut novel by indie author Steven Eggleton. A dirty, angry, and often painfully funny read, Dry Heat explores the angst and confusion people in their early twenties frequently feel. Written in Eggleton's skeptical, sardonic, and bluntly frank narrative voice, the book chronicles a little over a year in the life of Vincente Vasquez, a disillusioned grocery-store clerk living in Tucson, Arizona. Chiefly concerned with escaping the drudgery of work, social equality, and the pursuit of sex; Dry Heat is a visceral and raw novel that's sure to leave an impression.

For seventeen-year-old Lena, living in the trailer park with the rest of town's throwaways isn't exactly paradise. Dealing with a drunken father who can't keep his fists to himself doesn't help matters either. The only good thing in her life, other than track, is the mysterious man who visits her dreams, promising to find her. When a chair burns her arms, Lena chalks it up to stress-induced crazy. Yet as bizarre incidents escalate, even being crazy can't explain it all away... until one day dream guy does find her. Tarek lost Lena seventeen years ago after she was accused of treason and marked Tainted. He finally discovers her reborn on Earth into a life of suffering as punishment for her crime. However, someone else has already found her... and wants her dead. Willing to sacrifice everything, he fights to keep her safe so she can live the only life she's ever known-even if that life doesn't include him.

The King of Round Valley begins where Sunset Hill ended, at the Pacific Point winery on the scenic California North Coast. Reeling from the tragedy in Sunset Hill, Detective Grant Starr buys a \$2 million winery, thinking he's through with police work. After a year, his life has become routine, and the past finally begins to fade away. Then a body shows up on a picnic table behind his winery. When the badly beaten corpse doesn't garner much attention from the local sheriff's office, Grant wants to know why. He learns that nasty things are going on in a remote mountain area called Round Valley: sex parties involving cops and their wives, drugs, extortion, intimidation, and murder. At first Grant is content to let the few good local cops handle the mess because, hey, he's not a cop anymore. But when he's threatened and told to butt out, he decides to go all in. Detectives Ralph Bensen and Bill Hanks, Grant's pals from the Modesto Police Department, stop by to try and persuade Grant to return to Modesto, but end up staying to help him thwart the man who calls himself the king of Round Valley. The King of Round Valley is a story rife with greed, lust, an insatiable appetite for power, murder, savagery, loyalty, and friendship. As is typical of Powers's stories, you'll also find humor, entertaining dialogue, interesting characters, and, of course, a 1970 Ferrari Daytona. Everett Powers is the author of three previous Grant Starr novels, The Mighty T, Death of a Matador, and Sunset Hill, and the horror novel Canals. Connect with him online at www.everettpowers.com.

The Beginning

Nineteen-year old CeCe Mackenzie leaves Virginia for Nashville with not much more to her name than a guitar, a Walker Hound named Hank Junior and an old car she'd inherited from her grandma called Gertrude. But Gertrude ends up on the side of I-40 in flames, and Nashville has never seemed farther away. Help arrives in the form of two Georgia football players headed for the Nashville dream as well. A year after losing her husband, her high school sweetheart and the love of her life to cancer, Janie Anderson embarks on a once-in-a-lifetime trip to New York City. Trying to escape the oppressive loss and hopelessness of a life without him, Janie sets off on the adventure she has dreamed about since she was a little girl. Exploring the Big Apple, New York City, she secretly hopes that this landmark event will free her from her grief and unlock a future as wonderful as the life she had lost with Robert 's passing. After a series of embarrassing encounters with a man in a dark grey suit during the flight, Janie wonders if this trip might be more than she bargained for. At 42, she is much too young to spend the rest of her days as a lonely widow, but is resolved to the fact that, like lightning, a love like that of her first marriage rarely strikes twice. When she accepts his invitation to dinner that evening, Janie is terrified at the realization that she 's actually attracted to him. The handsome and wealthy Matt Latham is sexy as hell, but, as Janie comes to realize, has baggage of his own. Can they help to heal each other in time to realize that a second chance at love is within their grasp? ' First Class to New York ' is a contemporary, adult romance novel, written by AJ Harmon. It is the first book in the ' First Class ' series, with Janie 's story concluding in ' First Class to Portland. '

"...all that I am, all my weakness, it is my crucible, my fire, my inferno, by which I am burned alive in glory." - excerpt from the poem 'Bone Forge' (pg 24). Forty-two of his most powerful and evocative works are collected here, brought to readers for the first time in a beautiful volume with cover illustration provided by the talented fantasy artist Ryan Wardlow.

Structophis is a heartwarming YA adventure from the author of The Book of Deacon, Bypass Gemini, and Free-Wrench. It is based upon a concept and artwork by ProjectENDO. In a small town in Colorado, Markus Spiros was just getting his life on track. By day he worked as a veterinary tech, by night he took classes. His steady little routine was rolling along nicely when his impulsive Uncle Dimitrios threw a wrench in the works. Thanks to an unannounced trip, Markus had to swing by his uncle 's bistro to tend to the ' special oven. ' When he arrived, he discovered it wasn 't the oven that was special, it was the rare and exotic egg that had been incubating inside it. And now it had hatched. Suddenly, Markus found his life had become a good deal more complicated. The creature was a Structophis Gastrignae—a strange creature that was equal parts dragon and oven—and she 'd become quite a big girl. Large as a refrigerator and curious as a toddler, the creature he 'd dubbed Blodgette would have been a handful in any situation. Markus had bigger problems than figuring out how to take care of her, though. Owning such a rare and special beast was illegal, so should the cops learn of it, Markus would be destined for jail. Worse, there were certain unscrupulous people who would do anything to acquire Blodgette. Now, with the help of his old classmate Gale, Markus must scramble to stay two steps ahead of the authorities and a corrupt CEO, all while being the best ' mommy ' he can be to his brand-new pizza

dragon.
