Breathtaking photographs and deeply personal stories from a leading surfing and nature photographer, conservation advocate, and social media force Wayward is a collection of striking photographs and the revealing personal stories behind them by one of the leading surf, nature, and adventure photographers of our time. At remote beaches and locales in places like Russia, Norway, Iceland, and the Aleutian Islands, Chris Burkard succumbed to hypothermia, destroyed thousands of dollars' worth of camera gear, and spent a few nights in jail. But in the process, he captured amazing and iconic images that have defined his life's work. And while millions have seen his photographs in magazines, marketing campaigns for Patagonia, Sony, and others, and via his social media, Burkard has never given a full account of these journeys--until now. With never-before-seen images and the stories behind them, Burkard crafts an original narrative that combines the page-turning drama of a great explorer's adventure story and the immediacy and power of unforgettable photographs. Chronicling both the failures and the successes he has experienced in building a career, Burkard shares an infectious passion for photography, surfing, and chasing dreams in some of the world's most awe-inspiring places.

Capturing the heartbeat of the Roman Catholic way of life, "Talking with Catholic Friends and Family" provides an insightful glimpse into the way Catholics think about God, the church, getting to heaven, and the practice of their religion. Daniel Tanner's been in love with Amy since they were teenagers. If she would only give him a chance to show her how good they could be together, he could convince her the fiery attraction between them won't burn up and ruin their friendship. Amy Morgan's had a front row seat to the parade of women coming in and out of Daniel's life for years, so she's not interested in risking what they have for something that would eventually end with her heart being broken by her best friend. And life has taught her broken hearts is the way love always ends. But no one knows Amy better than Daniel, and he's devised a plan to show her they can have it all. The Redemption Club Collection includes three complete (90,000-word) books from the series. In a city built for sin, the Redemption Club is a secret society that exists to fulfill a person's darkest desires... STACKING THE DECK Redemption Club, Book 1 Resourceful Skye Hamilton puts her survival training to good use taking the dangerous tasks nobody else wants. When a job searching for a runaway teen brings Redemption Club members gunning for her, putting those she cares about in danger, she'll risk everything to fight the enemy. Including her heart. Jared Bennigan, bodyguard to the Las Vegas elite, accepted his latest job hoping it would lead to his sister, but he's not the only one looking for a missing woman. Skye's enticing blue eyes contradict her tough, distrusting exterior, revealing an intriguing combination of vulnerability and intelligence. But those eyes are watching his client—through her rifle's scope. To find both missing women, Jared will need to convince Skye—who plays a wicked game of hard-to-get—to be his partner. It's the ultimate game of survival of the fittest. But who will win? SLEIGHT OF HAND Redemption Club,

Book 2 Raised by con artists, Emily Moore has done her share of manipulating others to make ends meet. She's working hard to go legit and make up for her past, but she still knows how to spot an easy mark. And when to walk away from a bad situation. Emily learned life's lessons the hard way, and now a tough exterior hides her one weakness—her love for the man who left her. After a high profile murder, Detective Adam Wilde's brother disappears, becoming both the Las Vegas Police Department's primary suspect and the real killer's target. He suspects an underground group called the Redemption Club, which trades in dark deeds, is behind the murder, and it's essential he finds his brother before the Club does. Their hearts are telling them to let go of the past, but trust has never been easy for either Emily or Adam. It'll take a common purpose, and an undeniable passion, to reunite them. To find Tanner and defeat the head of Redemption Club, they'll need each other—and they'll need to come up with the con of their lives. RAISING THE STAKES Redemption Club, Book 3 Ivy Stone works hard to maintain her ice queen image. Without the façade, people get close—and then she gets hurt. Still, as manager of a luxurious Las Vegas hotel, sometimes she has to put herself in the limelight to protect all she's worked for, especially when her father's rumored association with the underground crime web, Redemption Club, risks everything. When idle threats become a very real danger, forcing her to consider the unthinkable to protect herself, she approaches a rival with an unusual deal. At Global Security Solutions, Devlin Grimm is more accustomed to playing bodyguard than kidnapper. However, when the beautiful and untouchable Ivy Stone enters his office with a strange request, it's like a gift from the heavens. She could be the key to finally taking down the notorious Redemption Club. However vulnerable and enticing she appears, Dev suspects the woman has secrets, and she may well be manipulating him. Will Ivy be the source of his salvation or his demise?

The Harlem Renaissance, an exciting period in the social and cultural history of the US, has over the past few decades re-established itself as a watershed moment in African American history. However, many of the African American communities outside the urban center of Harlem that participated in the Harlem Renaissance between 1914 and 1940, have been overlooked and neglected as locations of scholarship and research. Harlem Renaissance in the West: The New Negro's Western Experience will change the way students and scholars of the Harlem Renaissance view the efforts of artists, musicians, playwrights, club owners, and various other players in African American communities all over the American West to participate fully in the cultural renaissance that took hold during that time. Cincinnati Magazine

Catalog of Educational Captioned Films for the Deaf

Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

This comprehensive volume teaches photographers simple approaches for producing client-pleasing family portraits in any location and with the use of minimal equipment. Family photographers must face all of the typical challenges that the average portrait photographer faces, but as the subject numbers increase, so do the number of issues the photographer must confront in order to produce a pleasing, saleable image. The methods used to produce 60 high-end images of actual family groups are shared here—including what went in to the conceptualization process; the posing and grouping strategies; and how the photographer can establish rapport with his subjects, especially with babies, children, and disinterested teens—address the entire range of obstacles portrait photographers must overcome. Also featured are tips on modifying and manipulating studio and natural light, how to use physical elements as posing aids, and what tools are needed for off-site work. With lighting diagrams and alternate images, each section in this book illuminates the many aspects of family portrait photography, equipping and inspiring photographers to create to create quality, heirloom-worthy images.

Negro History Bulletin

The Pictorial Record of the Great Occasion

The Family Guide to Surviving Stroke and Communication Disorders, Second Edition is a comprehensive guide for families of stroke survivors, speech pathologists and rehabilitation specialists, and counselors who respond to the needs of stroke survivors and their families. Through non-technical terms, case studies, questions and answers, and examples, this book engages all readers on a journey toward understanding, healing, and persevering after a stroke. Important Notice: The digital edition of this book is missing some of the images or content found in the physical edition.

Over the last forty years, renewed interest in the career of Henry Ossawa Tanner (1859-1937) has vaulted him into expanding

scholarly discourse on American art. Consequently, he has emerged as the most studied and recognized representative of African American art during the nineteenth century. In fact, Tanner, in the spirit of political correctness and racial inclusiveness, has gained a prominent place in recent textbooks on mainstream American art and his painting, The Banjo Lesson (1893), has become an iconic symbol of black creativity. In addition, Tanner achieved national recognition when the Philadelphia Museum of Art in 1991 and the Pennsylvania Academy of the Fine Arts in 2012 celebrated him with major retrospectives. The latter exhibition brought in a record number of viewers. While Tanner lived a relatively simple life where his faith and family dictated many of the choices he made daily, his emergence as a prominent black artist in the late nineteenth century often thrust him openly into coping with the social complexities inherent with America's great racial divide. In order to fully appreciate how he negotiated prevailing prejudices to find success, this book places him in the context of a uniquely talented black man experiencing the demands and rewards of nineteenth-century high art and culture. By careful examination on multiple levels previously not detailed, this book adds greatly to existing Tanner scholarship and provides readers with a more complete, richly deserved portrait of this preeminent American master.

Winslow Homer: American Passage

The Moving Picture World

The Family Guide to Surviving Stroke and Communication Disorders

Unfathomable City

Handbook of Perinatal and Neonatal Palliative Care

The definitive life of the painter who forged American identity visually, in art and illustration, with an impact comparable to that of Walt Whitman and Mark Twain in poetry and prose—yet whose own story has remained largely untold. In 1860, at the age of twenty-four, Winslow Homer (1836 – 1910) sold Harper's Weekly two dozen wood engravings, carved into boxwood blocks and transferred to metal plates to stamp on paper. One was a scene that Homer saw on a visit to Boston, his hometown. His illustration shows a crowd of abolitionists on the brink of eviction from a church; at their front is Frederick Douglass, declaring “ the freedom of all mankind. ” Homer, born into the Panic of 1837 and raised in the years before the Civil War, came of age in a nation in crisis. He created multivalent visual tales, both quintessentially American and quietly replete with narrative for and about people of all races and ages. Whether using pencil, watercolor, or, most famously, oil, Homer addressed the hopes and fears of his fellow Americans and invited his viewers into stories embedded with universal, timeless questions of purpose and meaning. Like his contemporaries Twain and Whitman, Homer captured the landscape of a rapidly changing country with an artist's probing insight. His tale is one of America in all its complexity and contradiction, as he evolved and adapted to the restless spirit of invention transforming his world. In Winslow Homer: American Passage, William R. Cross reveals the man behind the art. It is the surprising story of a life led on the front lines of history. In that life, this Everyman made archetypal images of American culture, endowed with a force of moral urgency through which they speak to all people today. Includes Color Images and Maps

Love Inspired brings you three new titles! Enjoy these uplifting contemporary romances of faith, forgiveness and hope. THE RANCHER'S TEXAS TWINS Lone Star Cowboy League: Boys Ranch by Allie Pleiter Rancher Gabriel Everett needs single mom Avery Culpepper to remain in town for the sake of the boys ranch. The Persona Lifecycle is a field guide exclusively focused on interaction design's most popular new technique. The Persona Lifecycle addresses the "how" of creating effective personas and using those personas to design products that people love. It doesn't just describe the value of personas; it offers detailed techniques and tools related to planning, creating, communicating, and using personas to create great product designs. Moreover, it provides rich examples, samples, and illustrations to imitate and model. Perhaps most importantly, it positions personas not as a panacea, but as a method used to complement other user-centered design (UCD) techniques including scenario-based design, cognitive walkthroughs and user testing. The authors developed the Persona Lifecycle model to communicate the value and practical application of personas to product design and development professionals. This book explores the complete lifecycle of personas, to guide the designer at each stage of product development. It includes a running case study with rich examples and samples that demonstrate how personas can be used in building a product end-to-end. It also presents recommended best practices in techniques, tools, and innovative methods and contains hundreds of relevant stories, commentary, opinions, and case studies from user experience professionals across a variety of domains and industries. This book will be a valuable resource for UCD professionals, including usability practitioners, interaction designers, technical writers, and program managers; programmers/developers who act as the interaction designers for software; and those professionals who work with developers and designers. Features * Presentation and discussion of the complete lifecycle of personas, to guide the designer at each stage of product development. * A running case study with rich examples and samples that demonstrate how personas can be used in building a product end-to-end. * Recommended best practices in techniques, tools, and innovative methods. * Hundreds of relevant stories, commentary, opinions, and case studies from user experience professionals across a variety of domains and industries.

Education and learning opportunities bring about the potential for individual and national advancement. As learners move away from traditional scholarly media and toward technology-based education, students gain an advantage with technology in learning about their world and how to interact with modern society. The Handbook of Research on Learning Outcomes and Opportunities in the Digital Age provides expert research relating to recent technological advancements, technology and learning assessments, and the effects of technology on learning environments, making it a crucial reference source for researchers, scholars, and professors in various fields.

The first resource of its kind, this authoritative handbook holistically addresses the multidimensional aspects of perinatal and neonatal palliative care. Written by an interprofessional team of renowned specialists, it is both a text and an evidencebased reference for all members of the palliative care team. This book helps individual team members forge interdisciplinary approaches to care, assess current programs, improve the quality of care, and tailor new models of care. Encompassing the perspectives of numerous multidisciplinary healthcare providers, the book underscores the unique aspects of perinatal and neonatal palliative care, with a focus on improving quality of life, as well as comfort at the end of life. It describes healthcare for neonates and pregnant mothers, care and support of the family, planning and decision-making, and effective support for grief and bereavement, addressing all palliative and neonatal care settings. Other chapters focus on the prenatal period after diagnosis of the expected baby's life-threatening condition. These include such topics as care of the mother, delivering devastating news, and advance care planning. Each chapter contains photos, figures, and/or tables and case studies with clinical implications and critical thinking questions. Also included is an extensive listing of relevant palliative care organizations. Paintings and poetry provide an artistic backdrop to the authors' inspiring words. Key Features: Addresses a growing need for specific provider resources in neonatal palliative care Covers the clinical and emotional aspects of palliative care for babies and their families Abundant resources for effective and compassionate family-centered care Case studies with critical thinking questions Accompanying video clips of healthcare and family interactions Supplemental image bank included
