Our facility is considered the busiest walk in photographic repair center in the United States and we are authorized to repair top manufacturers (Canon, Sony, Nikon, FujiFilm, and Sigma). Our goal is to be a one stop shop by providing a wide range of repair services for equipment such as SLR, DSLR, digital cameras, lenses, and camcorders.

**Welcome United Camera Customers – Photo Tech Repair Services**

The Canon 580EX II featured in this repair developed a loose foot over several years of abuse use. The hotshoe wiggle produced chronic E-TTL flash overexposure and a never ending battle to access the flash's Custom Functions through the 7D's menu system. Luckily, tightening the hotshoe of the Canon 580EX II is a relatively simple repair process.

**How To Repair a Loose Hotshoe – Canon 580EX II**

Southern Photo, the flagship Canon Authorized Service Center in Miami Florida has repaired several Canon 580ex flash units with loose screws and poor ground on the flash foot of the 580ex. This is a simple repair for professional technicians, but the flash packs 330 volts and should NOT be taken apart by customers.
