Decisions for Health, Grade 6 Taks Test Preparation Workbook for Math and Reading-middle School

This book includes three complete TAKS math tests just like the real TAKS tests that students take. Each test is the same length, uses the same question styles, and tests all the same skills tested on the TAKS. Taking this test is just like taking the real TAKS test! Build confidence and reduce stress by allowing the student to get used to taking the test. Use the test to identify exactly what skills the student is missing. The book includes a full list of the state standards and every question is linked to the state standard and the skill that it tests. It's the most effective way to find out exactly what the student knows and exactly what the student doesn't know. Then revise the missing skills, retake the test, and see the improvement!
