#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “ Extraordinary . . . an act of courage and self-invention. ” —The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA ’ S FAVORITE BOOKS OF THE YEAR • BILL GATES ’ S HOLIDAY READING LIST • FINALIST: National Book Critics Circle ’ s Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara ’ s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she ’ d traveled too far, if there was still a way home. “ Beautiful and propulsive . . . Despite the singularity of [Westover ’ s] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up? ” —Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library Beware! This picture book will do anything in its power to stay unread in this fun, interactive, and irresistibly silly read-aloud perfect for fans of The Book with No Pictures and Press Here. WARNING! Stop what you ’ re doing! Don ’ t you know that this book does not want to be read? If you try, all sorts of unfortunate things will happen. It will turn into a steering wheel! Letters will go missing! The book will act up and squirm around and grow wings and try to fly away! It will even insert a bunny that has absolutely nothing to do with anything. A persistent reader might see all kinds of strange and magical things, silly and secret things...But this book just does not want to be read, and it ’ s better to leave it alone. ...Or is it?

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

A beloved classic—written by a beloved Caldecott winner—is lovelier than ever! Barbara Cooney’s story of Alice Rumphius, who longed to travel the world, live in a house by the sea, and do something to make the world more beautiful, has a timeless quality that resonates with each new generation. The countless lupines that bloom along the coast of Maine are the legacy of the real Miss Rumphius, the Lupine Lady, who scattered lupine seeds everywhere she went. Miss Rumphius received the American Book Award in the year of publication. To celebrate the thirtieth anniversary of two-time Caldecott winner Barbara Cooney’s best-loved book, the illustrations have been reoriginated, going back to the original art to ensure state-of-the-art reproduction of Cooney’s exquisite artwork. The art for Miss Rumphius has a permanent home in the Bowdoin College Museum of Art.

What Led Me to You

Never Simple

Magic Hour

How to Raise an Adult

PULITZER PRIZE WINNER • A “ vivid and devastating ” (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott “ From its first indelible pages to its rich and startling conclusion, Invisible Child had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths. ” —Ayad Akhtar, author of Homeland Elegies ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In Invisible Child, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani ’ s childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City ’ s homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter “ to protect those who I love. ” When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott ’ s Invisible Child reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award A “ groundbreaking ” memoir about raising a special-needs daughter in an era of misinformation and prejudice—a classic that helped transform our perceptions (Publishers Weekly). It was my child who taught me to understand so clearly that all people are equal in their humanity and that all have the same human rights. Pearl S. Buck is known today for earning a Nobel Prize in Literature and for such New York Times–bestselling novels as The Good Earth. What many do not know is that she wrote that great work of art with the motivation of paying for a special school for her oldest daughter, Carol, who had a rare developmental disorder. What was called “ mental retardation ” at the time—though some used crueler terms—was a disability

that could cause great suffering and break a parent ’ s heart. There was little awareness of how to deal with such children, and as a result some were simply hidden away, considered a source of shame and stigma, while others were taken advantage of because of their innocence. In this remarkable account, which helped bring the issue to light, Pearl S. Buck candidly discusses her own experience as a mother, from her struggle to accept Carol ’ s diagnosis to her determination to give her child as full and happy a life as possible, including a top-quality education designed around her needs and abilities. Both heartrending and inspiring, The Child Who Never Grew provides perspective on just how much progress has been made in recent decades, while also offering common sense and timeless wisdom for the challenges still faced by those who love and care for someone with special needs. It is a clear-eyed and compelling read by a woman renowned for both her literary talent and her humanitarian spirit. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author ’ s estate.

In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family’s farm in this start to the Shadow Children series from Margaret Peterson Haddix. Luke has never been to school. He’s never had a birthday party, or gone to a friend’s house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He’s lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family’s farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl’s face in the window of a house where he knows two other children already live. Finally, he’s met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

"In this book with no pictures, the reader has to say every silly word, no matter what"--

The Boy Who Never Grew Up

Can't We Talk about Something More Pleasant?

The Child Who Never Grew

A Collection of Stories

A Novel

A deadly plague has devastated Earth, killing all the adults. Lisa and her younger brother Todd are struggling to stay alive in a world where no one is safe. Other children along Grand Avenue need help as well. They band together to find food, shelter, and protection from dangerous gangs invading their neighborhood. When Tom Logan and his army start making threats, Lisa comes up with a plan and leads her group to a safer place. But how far is she willing to go to protect what’s hers?

It was a simple incident in the life of James Clavell—a talk with his young daughter just home from school—that inspired this chilling tale of what could happen in twenty-five quietly devastating minutes. He writes, "The Children’s Story came into being that day. It was then that I really realized how vulnerable my child’s mind was —any mind, for that matter—under controlled circumstances. Normally I write and rewrite and re-rewrite, but this story came quickly—almost by itself. Barely three words were changed. It pleases me greatly because I kept asking the questions... Questions like, What’s the use of ‘I pledge allegiance’ without understanding? Like Why is it so easy to divert thoughts? Like What is freedom? and Why is so hard to explain? The Children’s Story keeps asking me all sorts of questions I cannot answer. Perhaps you can—then your child will...."

Offers personal advice for the children of alcoholics and discusses the family relationships of alcoholics

As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy."

So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another’s capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein’s incomparable career as a bestselling children’s book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don’t Bump the Glump!, and Runny Babbit. And don’t miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic!

It Will Never Happen to Me!

The American Dream in Crisis

Confrontations with a Body of Memory

The Good Earth

The Darkest Child

A Chinese peasant overcomes the forces of nature and the frailties of human nature to become a wealthy landowner.

When their picture-perfect Cotswold village family life with a perpetually young father and hippy mother is shattered by a tragic Easter weekend, four siblings pursue separate adult lives before a reunion reveals astonishing truths. By the author of Before I Met You.

A famous director, mired in a nasty divorce, hires Hoagy to salvage his name In Matthew Wax’s films, politicians are honest, parents are respected, and nice guys finish first. Wax has been Hollywood’s most beloved director for decades, and his personal life seemed as squeaky-clean as the world of his films. But when he and his wife, leading lady Pennyroyal Brim, file for divorce, the mud starts to fly. She accuses him of bedroom tyranny, sexual perversion, and every stripe of abuse. When she announces a tell-all memoir, Wax fires back the only way he can. He calls Stewart Hoag, ghostwriter to the stars. To tell Wax’s side of the story, Hoagy and his basset hound Lulu have to get closer to the boy wonder than anyone ever has. The true story of the man behind America’s most family-friendly films is even darker than the press suspects, and people will die to keep it hidden from view.

When the anticipation of your child’s birth turns into the grief of miscarriage, tubal pregnancy, stillbirth, or early infant death, no words on earth can ease your loss. But there is strength and encouragement in the wisdom of others who have been there and found that God’s comfort is real.Having experienced three miscarriages and the death of an infant son, Kathe Wunnenberg knows the deep anguish of losing a child. Grieving the Child I Never Knew was born from her personal journey through sorrow. It is a wise and tender companion for mothers whose hearts have been broken--mothers like you whose dreams have been shattered and who wonder how to go on. This devotional collection will help you grieve honestly and well. With seasoned insights and gentle questions, it invites you to present your hurts before God, and to receive over time the healing that He alone can--and will--provide. Each devotion includes:\* Scripture passage and prayer\* "Steps Toward Healing" questions \* Space for journalingReadings for holidays and special occasions also included

New York Times Bestseller "Julie Lythcott-Haims is a national treasure. . . . A must-read for every parent who senses that there is a healthier and saner way to raise our children." -Madeline Levine, author of the New York Times bestsellers The Price of Privilege and Teach Your Children Well "For parents who want to foster hearty self-reliance instead of hollow self-esteem, How to Raise an Adult is the right book at the right time." -Daniel H. Pink, author of the New York Times bestsellers Drive and A Whole New Mind A provocative manifesto that exposes the harms of helicopter parenting and sets forth an alternate philosophy for raising preteens and teens to self-sufficient young adulthood In How to Raise an Adult, Julie Lythcott-Haims draws on research, on conversations with admissions officers, educators, and employers, and on her own insights as a mother and as a student dean to highlight the ways in which overparenting harms children, their stressed-out parents, and society at large. While empathizing with the parental hopes and, especially, fears that lead to overhelping, Lythcott-Haims offers practical alternative strategies that underline the importance of allowing children to make their own mistakes and develop the resilience, resourcefulness, and inner determination necessary for success. Relevant to parents of toddlers as well as of twentysomethings--and of special value to parents of teens--this book is a rallying cry for those who wish to ensure that the next generation can take charge of their own lives with competence and confidence.

From the #1 New York Times bestselling author of The Nightingale and The Great Alone comes an incandescent story about the resilience of the human spirit, the triumph of hope, and the meaning of home. In the rugged Pacific Northwest lies the Olympic National Forest—nearly a million acres of impenetrable darkness and impossible beauty. From deep within this old growth forest, a six-year-old girl appears. Speechless and alone, she offers no clue as to her identity, no hint of her past. Having retreated to her western Washington hometown after a scandal left her career in ruins, child psychiatrist Dr. Julia Cates is determined to free the extraordinary little girl she calls Alice from a prison of unimaginable fear and isolation. To reach her, Julia must discover the truth about Alice’s past—although doing so requires help from Julia’s estranged sister, a local police officer. The shocking facts of Alice’s life test the limits of Julia’s faith and strength, even as she struggles to make a home for Alice—and for herself. “One of [Kristin Hannah’s] most compelling and riveting novels.”—Booklist

Poverty, Survival & Hope in an American City (Pulitzer Prize Winner)

The Children of Men

Run Towards the Danger

Kid Youtuber

In a true tale of a young girl in Iran and her grandmother, this beautiful ode to family celebrates small moments of love that become lifelong memories. In this big universe full of many moons, I have traveled and seen many wonders, but I have never loved anything or anyone the way I love my grandma. While Mina is growing up in Iran, the center of her world is her grandmother. Whether visiting friends next door, going to the mosque for

midnight prayers during Ramadan, or taking an imaginary trip around the planets, Mina and her grandma are never far apart. At once deeply personal and utterly universal, Mina Javaherbin’s words make up a love letter of the rarest sort: the kind that shares a bit of its warmth with every reader. Soft, colorful, and full of intricate patterns, Lindsey Yankey’s illustrations feel like a personal invitation into the coziest home, and the adoration between Mina and her grandma is evident on every page.

Critically acclaimed when it was first published, Tuck Everlasting has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at Tuck Everlasting twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family’s property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks’ secret—and whether or not to join them on their never-ending journey. Praise for Tuck Everlasting by Natalie Babbitt: “A fearsome and beautifully written book that can’t be put down or forgotten.” —The New York Times “Exciting and excellently written.” —The New York Times Book Review “With its serious intentions and light touch the story is, like the Tucks, timeless.” —Chicago Sun-Times “Probably the best work of our best children’s novelist.” —Harper’s “Natalie Babbitt’s great skill is spinning fantasy with the lilt and sense of timeless wisdom of the old fairy tales. . . . It lingers on, haunting your waking hours, making you ponder.” —The Boston Globe “This book is as shapely, crisp, sweet, and tangy as a summer-ripe pear.” —Entertainment Weekly This title has Common Core connections.

A New York Times bestseller and “a passionate, urgent” (The New Yorker) examination of the growing inequality gap from the bestselling author of Bowling Alone: why fewer Americans today have the opportunity for upward mobility. Central to the very idea of America is the principle that we are a nation of opportunity. But over the last quarter century we have seen a disturbing “opportunity gap” emerge. We Americans have always believed that those who have talent and try hard will succeed, but this central tenet of the American Dream seems no longer true or at the least, much less true than it was. In Our Kids, Robert Putnam offers a personal and authoritative look at this new American crisis, beginning with the example of his high school class of 1959 in Port Clinton, Ohio. The vast majority of those students went on to lives better than those of their parents. But their children and grandchildren have faced diminishing prospects. Putnam tells the tale of lessening opportunity through poignant life stories of rich, middle class, and poor kids from cities and suburbs across the country, brilliantly blended with the latest social-science research. “A truly masterful volume” (Financial Times), Our Kids provides a disturbing account of the American dream that is “thoughtful and persuasive” (The Economist). Our Kids offers a rare combination of individual testimony and rigorous evidence: “No one can finish this book and feel complacent about equal opportunity” (The New York Times Book Review).

The beautiful and haunting novel that launched David Almond as one of the best children’s writers of today When a move to a new house coincides with his baby sister’s illness, Michael’s world seems suddenly lonely and uncertain. Then, one Sunday afternoon, he stumbles into the old, ramshackle garage of his new home, and finds something magical. A strange creature - part owl, part angel, a being who needs Michael’s help if he is to survive. With his new friend Mina, Michael nourishes Skellig back to health, while his baby sister languishes in the hospital. But Skellig is far more than he at first appears, and as he helps Michael breathe life into his tiny sister, Michael’s world changes for ever . . . Skellig won the Carnegie Medal and the Whitbread Children’s Book Award and is now a major Sky1 feature film, starring Tim Roth and John Simm. David Almond is also winner of the 2010 Hans Christian Andersen award. Powerful and moving - The Guardian This newly jacketed edition celebrates 15 years of this multi-award-winning novel.

Invisible Child

A Memoir

A Memoir of Working Hard and Being Broke in the Richest Country on Earth

Break Free of the Overparenting Trap and Prepare Your Kid for Success

Age Level: 9 and up | Grade Level: 4 and up Davy Spencer might be the new kid in school, but that doesn't mean he can't start as the most POPULAR kid. With the help of his two best friends, Chuck and Annie, Davy throws himself into making viral YouTube videos with hilariously disastrous results. If he can pull this off, then everybody at his new school will know his name before even meeting him. Davy's YouTube channel has everything - awesome pranks? Check! School lunch reviews? Check! Undercover detention missions? Check! Getting duct taped to the wall? Check - wait, what? Becoming a rockstar Youtuber isn't easy, but Davy won't give up... no matter how crazy things have to get. Kid Youtuber is a funny children's book for ages 9-12, middle school students, and adults who never grew up. Marcus Emerson is the author of Diary of a 6th Grade Ninja, The Super Life of Ben Braver, and Recess Warriors.

An account of the sorrow and the spiritual rewards the author experienced as the mother of a retarded child

Nore Roberts didn't ask for a new life, but now that her mom is gone and her dad is newly married, she has to settle in at Shadow Grove, the old Civil War mansion her stepfamily calls home. When she meets her stepmother, Lisette, Nore is shocked by her youth and beauty that gives her chills- and a hint of something sinister. There's hope of becoming friends with her stepbrother and sister, until Nore realizes they're hiding something. When she begins to feel like the target of a deadly plan, Nore starts digging into her stepfamily's past. The skeletons in their closet are more real than she ever imagined. Can Nore expose her stepmother's dark secret before an old and evil magic swallows her up?

Told with P. D. James’s trademark suspense, insightful characterization, and riveting storytelling, The Children of Men is a story of a world with no children and no future. The human race has become infertile, and the last generation to be born is now adult. Civilization itself is crumbling as suicide and despair become commonplace. Oxford historian Theodore Faron, apathetic toward a future without a future, spends most of his time reminiscing. Then he is approached by Julian, a bright, attractive woman who wants him to help get her an audience with his cousin, the powerful Warden of England. She and her band of unlikely revolutionaries may just awaken his desire to live . . . and they may also hold the key to survival for the human race.

Heartland

The Girl Who Owned a City

#1 New York Times Bestseller 2014 NATIONAL BOOK AWARD FINALIST In her first memoir, New Yorker cartoonist Roz Chast brings her signature wit to the topic of aging parents. Spanning the last several years of their lives and told through four-color cartoons, family photos, and documents, and a narrative as rife with laughs as it is with tears, Chast’s memoir is both comfort and comic relief for anyone experiencing the life-altering loss of elderly parents. When it came to her elderly mother and father, Roz held to the practices of denial, avoidance, and distraction. But when Elizabeth Chast climbed a ladder to locate an old souvenir from the “crazy closet”-with predictable results-the tools that had served Roz well through her parents’ seventies, eighties, and into their early nineties could no longer be deployed. While the particulars are Chast-ian in their idiosyncrasies-an anxious father who had relied heavily on his wife for stability as he slipped into dementia and a former assistant principal mother whose overbearing personality had sidelined Roz for decades-the themes are universal: adult children accepting a parental role; aging and unstable parents leaving a family home for an institution; dealing with uncomfortable physical intimacies; managing logistics; and hiring strangers to provide the most personal

---

care. An amazing portrait of two lives at their end and an only child coping as best she can, Can't We Talk about Something More Pleasant will show the full range of Roz Chast's talent as cartoonist and storyteller.

\*Named a Most-Anticipated Book of 2022 by Entertainment Weekly, Lit Hub, and AV Club\* Oscar-nominated screenwriter, director, and actor Sarah Polley's *Run Towards the Danger* explores memory and the dialogue between her past and her present. These are the most dangerous stories of my life. The ones I have avoided, the ones I haven't told, the ones that have kept me awake on countless nights. As these stories found echoes in my adult life, and then went another, better way than they did in childhood, they became lighter and easier to carry. Sarah Polley's work as an actor, screenwriter, and director is celebrated for its honesty, complexity, and deep humanity. She brings all those qualities, along with her exquisite storytelling chops, to these six essays. Each one captures a piece of Polley's life as she remembers it, while at the same time examining the fallibility of memory, the mutability of reality in the mind, and the possibility of experiencing the past anew, as the person she is now but was not then. As Polley writes, the past and present are in a "reciprocal pressure dance." Polley contemplates stories from her own life ranging from stage fright to high-risk childbirth to endangerment and more. After struggling with the aftermath of a concussion, Polley met a specialist who gave her wholly new advice: to recover from a traumatic injury, she had to retrain her mind to strength by charging towards the very activities that triggered her symptoms. With riveting clarity, she shows the power of applying that same advice to other areas of her life in order to find a path forward, a way through. Rather than live in a protective crouch, she had to run towards the danger. In this extraordinary book, Polley explores what it is to live in one's body, in a constant state of becoming, learning, and changing.

*What Led Me to You* is the story of how a mother's faith and family grew in ways she never expected. Carrie became a foster parent hoping to show the love of Jesus to children in need. She soon discovered that she also was in need of His love, more than ever. It wasn't until God started to peel back layers in Carrie's life that she learned how to put her trust in God. As Carrie started seeking God's will, her life became less like the cookie-cutter shape she had imagined and more the shape God intended for her family.

From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

The Book with No Pictures

Educated

My Grandma and Me

The Children's Story

The Book That Did Not Want to Be Read

This is the moving and powerful account of two remarkable boys struggling to survive in Chicago's Henry Horner Homes, a public housing complex disfigured by crime and neglect.

Liz Scheier's darkly funny and touching memoir—with shades of Jeannette Walls's *The Glass Castle* and Mira Bartók's *The Memory Palace*—of growing up in '90s Manhattan with a brilliant, mendacious single mother. Scheier's mother Judith was a news junkie, a hilarious storyteller, a fast-talking charmer you couldn't look away from, a single mother whose devotion crossed the line into obsession, and—when in the grips of the mental illness that plagued every day of her life—a violent and abusive liar whose hold on reality was shaky at best. On an uneventful afternoon when Scheier was eighteen, her mother sauntered into the room to tell her two important things: one, she had been married for most of Scheier's life to a man she'd never heard of, and two, the man she'd told Scheier was her father was entirely fictional. She'd made him up. Those two big lies were the start, but not the end; it took dozens of smaller lies to support them, and by the time she was done she had built a farcical, half-true life for the two of them, from fake social security number to fabricated husband. One hot July day twenty years later, Scheier receives a voicemail from Adult Protective Services, reporting that Judith has stopped paying rent and is refusing all offers of assistance. That call is the start of a shocking journey that takes the Scheiers, mother and daughter, deep into the cascading effects of decades of lies and deception. *Never Simple* is the story of learning to survive—and, finally, trying to save—a complicated parent, as feared as she is loved, and as self-destructive as she is adoring.

\*Finalist for the National Book Award\* \*Finalist for the Kirkus Prize\* \*Instant New York Times Bestseller\* \*Named a Best Book of the Year by NPR, New York Post, BuzzFeed, Shelf Awareness, Bustle, and Publishers Weekly\* An essential read for our times: an eye-opening memoir of working-class poverty in America that will deepen our understanding of the ways in which class shapes our country and "a deeply humane memoir that crackles with clarifying insight".\* Sarah Smarsh was born a fifth generation Kansas wheat farmer on her paternal side, and the product of generations of teen mothers on her maternal side. Through her experiences growing up on a farm thirty miles west of Wichita, we are given a unique and essential look into the lives of poor and working class Americans living in the heartland. During Sarah's turbulent childhood in Kansas in the 1980s and 1990s, she enjoyed the freedom of a country childhood, but observed the painful challenges of the poverty around her; untreated medical conditions for lack of insurance or consistent care, unsafe job conditions, abusive relationships, and limited resources and information that would provide for the upward mobility that is the American Dream. By telling the story of her life and the lives of the people she loves with clarity and precision but without judgement, Smarsh challenges us to look more closely at the class divide in our country. Beautifully written, in a distinctive voice, *Heartland* combines personal narrative with powerful analysis and cultural commentary, challenging the myths about people thought to be less because they earn less. "Heartland is one of a growing number of important works—including Matthew Desmond's *Evicted* and Amy Goldstein's *Janesville*—that together merit their own section in nonfiction aisles across the country: America's postindustrial decline...Smarsh shows how the false promise of the 'American dream' was used to subjugate the poor. It's a powerful mantra" \*(The New York Times Book Review).

Includes a reading guide and an excerpt of Delores Phillips's unfinished sequel to *The Darkest Child*, *Stumbling Blocks*.
